PRESS RELEASE
FOR IMMEDIATE RELEASE

Keeping your equipment safe and clean with the ***GIMBAL HEAD COVER!***

OP/TECH USA's **GIMBAL HEAD COVER™** is an ideal way to protect most gimbal-style tripod heads from impact, dust and moisture. It can be attached when the head is connected to the tripod or when it's stored separately. The drawstring closure and barrel lock securely closes the pouch yet provides quick and easy access when necessary. This versatile neoprene pouch is also great for protecting your other equipment such as cameras, lenses and other gear. It measures 10"w x 12"h when in the flat position and is available in black. **GIMBAL HEAD COVER™** is proudly made 100% in the USA.

OP/TECH USA continues to innovate quality products to meet the ever-changing needs of the avid photographer and outdoor enthusiast. We feel you deserve the very best! For more information about our products, please call 800-251-7815, e-mail info@optechusa.com or visit us online at www.optechusa.com.
