PRESS RELEASE
FOR IMMEDIATE RELEASE

***SLR WRIST STRAP™** – the comfortable alternative to carrying an SLR camera!*

OP/TECH USA's **SLR WRIST STRAP™** attaches to an SLR camera using the exclusive Uni-Loop system. This unique attachment is compatible with several other carrying options to create a truly integrated, versatile system. You can quickly change from one style of OP/TECH USA strap to another in a matter of seconds.

The **SLR WRIST STRAP™** is a neoprene strap that is adjusted around the wrist with a security slide to keep it firmly in place. It's a convenient and comfortable alternative to wearing a camera around the neck. Keeping it simple and secure is the secret to the **SLR WRIST STRAP™**.

Proudly made in the U.S.A., **SLR WRIST STRAP™** is available in four different colors to match your fashion needs. Get peace of mind with the security of the **SLR WRIST STRAP™**!

OP/TECH USA continues to innovate quality products to meet the ever-changing needs of the avid photographer and outdoor enthusiast. We feel you deserve the very best! For more information about our products, please call 800-251-7815, e-mail info@optechusa.com or visit us online at www.optechusa.com.
